Getting There

Tram 27, 60, 67 Firlstraße

Tram 17, 21, 37, 27, 60, 67 Wilhelminenhof-/Edisonstraße

Prices

10,-€, reduced 8,-€

registration is requested

Guided tour through the Elektropolis Oberschöneweide. At the end of the 19th century, an industrial town was built here, which was mainly characterised by the AEG (three-phase power station, cable works, transformer works). After climbing the tower of the former automobile factory of Peter Behrens, a wonderful view over Berlin and the surrounding area rewards you.

Open house day

Admission free, donations welcome

Questions about power generation and distribution are answered in the Energy Museum Berlin. The exhibition comprises more than 5000 objects from the fields of power plant-, grid-, operation-, measurement-, application- and protection technology. A highlight of the house is also an extensive exhibition of telephone systems, telexes, pneumatic mail and various telephone sets from all eras.

Deutsches Technikmuseum

Address

Aviation Exhibition

Trebbiner Straße 9, 10963 Berlin

Opening Hours

Thu to Fri 9 a.m. – 5:30 p.m.; Sat and Sun 10 a.m.– 6 p.m.

Contact

+49 30 90254-0

www.sdtb.de

Getting There

U1, U3 and U7 Möckernbrücke

U1, U2 and U3 Gleisdreieck

S1, S2, S25 and S26 Anhalter Bahnhof

Admission to the Deutsches Technikmuseum is free throughout the weekend for participants of the conference.

In a new special exhibition, the Deutsches Technikmuseum presents photographs of industrial enterprises in East Berlin by Günter Krawutschke. The unique documents show the industrial workers in the years before the reunification.
