

TWINNING OF SITES 2020 BASIC INFORMATION

European
Route
of Industrial
Heritage

www.erih.net

Co-funded by the
Creative Europe Programme
of the European Union

Description of the project

The “Twinning of sites” project is organised by ERIH and co-funded by the Creative Europe Culture programme.

The project involves the establishment of a twinning partnership between thematically similar ERIH member sites in order to learn from each other and to develop competences based on best practices.
