

It's that time again: We are dancing again at ERIH locations all over Europe. On 10 September 2023, WORK-it-OUT goes into the 6th round. If you want to be part of it, you can register now. <https://forms.gle/YMnQk4Bsk5erwhX16>

Please register by 5 May 2023

For those who are still undecided or simply have more information and questions about the event, the format, marketing, etc., we are offering an online information event on Wednesday, 10 May 2023 at 11 a.m. CET. At this event, we will introduce the idea and the organising team, and locations that have already participated several times will report on their experiences.

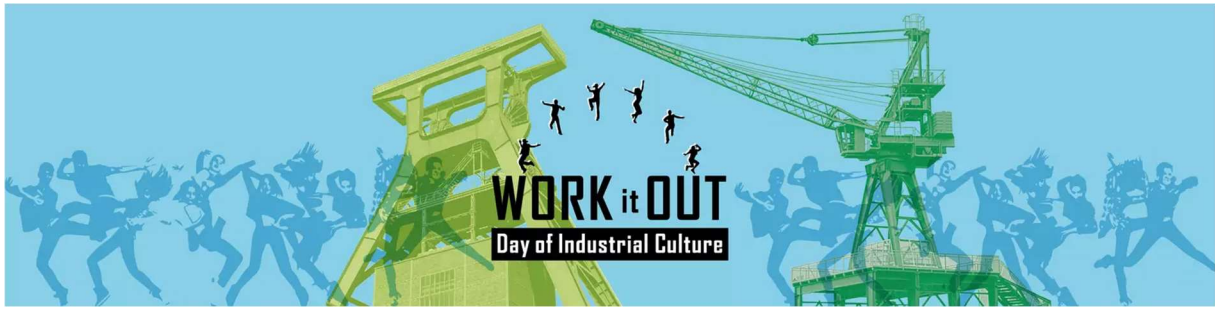

WORK it OUT 2023 - on 10th September 2023

There will be dancing again this year - on **Sunday, 10 September 2023** the time has come again - the 6th edition of WORK it OUT is getting underway - join in!

The idea of the event is to attract children and young people, but also other dance enthusiasts, to the sites of industrial culture. Since 2018, there has been simultaneous dancing at many sites in Europe. ERIH provides music, choreography and caps. You as the site organise the dance teams, the training and the video recording on site. ERIH accompanies the event with a social media campaign, for which the participating locations also provide content, and produces a video compilation from all the dance videos submitted.

All dance videos will take part in the WORK it OUT competition on social media and the three videos with the most likes will win prize money.

Date: Sunday, 10.09.2023 - DANCE 3 pm (CET) - in many countries "Day of Open Monument".

Depending on local or national peculiarities, it is possible to dance again on another date (in the time corridor from 2 to 17 September 2023). Please indicate your preferred date.

Do you have any questions? Are you unsure whether WORK it OUT is suitable for your site?

Then join our online information event on 10 May 2023 at 11 a.m. CET.

Here we will provide information about the event format, introduce the organising team and locations that have already taken part will report on their experiences, challenges and what benefits WORK it OUT has for them. You will have the opportunity to ask questions and exchange ideas with the team and other sites.

Take the opportunity and register directly in this form also for the kick-off meeting on 10th May. You will receive the login details by e-mail.

We would be very happy if numerous ERIH locations would join us again. How big or how small you plan your event on the day, with many or fewer dancers, with or without an additional programme, that's up to you.

It's worth being there - WORK it Out is not only great fun on the day itself, but also makes your location visible beyond the borders in the large European ERIH family.

Please complete the form by 8 May 2023 at the latest.
